

**THE GOVERNEMENT OF KOSOVO  
THE OFFICE OF PRIME MINISTER  
Mr. Avdullah Hoti, Prime Minister**

Dear Mr. Hoti,

I would like to congratulate your election as the Prime Minister of Kosovo.

All of us, in the region and beyond, have been affected by the pandemic caused by COVID-19 virus, which forced our societies to, while fighting the pandemic, secure functioning of the most important services and preserve economic activity.

Our business communities are one of the backbones of our societies and are working hard to provide better future for all of us.

The business communities of Kosovo and Serbia contributed considerably to the process of normalization of relations by establishing, maintaining and developing ties in the most challenging times.

Relations between the Serbian and Kosovo Chambers of Commerce is based on mutual respect and trust, and was instrumental in the establishment of the Western Balkans Chamber Investment Forum, whose goal is to advance interests of business community in the region, to help removing all the barriers that are impeding our businesses to flourish and to promote our region as attractive investment destination.

I am sure that all of us will do our best to further contribute to regional cooperation and economic development as prerequisites of a prosperous Western Balkan region.

It would be my pleasure to have the opportunity to present to you the work of the Western Balkans Chamber Investment Forum and to discuss the ways to unleash the potentials of our economies and the Western Balkans as a whole.

I wish you and your team a lot of success in your work.

Sincerely,

Marko Čadež

President of the Chamber of Commerce and Industry of Serbia  
President of the Management Board, Western Balkan 6, Chamber Investment Forum
